Be part of the Design & Health International Academy Awards 2025

The Design & Health International Academy Awards is the leading advocacy programme in the world recognising professional excellence in the research and practice of designing healthy built environments. The Awards have earned a significant international influence on health infrastructure development and the design of humanistic environments that support health, wellbeing and quality of life.

This year, the programme comprises ten categories across the key areas of international health delivery, and the prestigious Lifetime Leadership Award. The final awards, which will be presented at a prestigious ceremony to be held on November 1st, at the Pan Pacific Orchard in Singapore during the 14th Design & Health World Congress & Exhibition, will reflect important aspects of the exceptional work undertaken by researchers and practitioners at the forefront of the field. Recipients of the awards will be teams and individuals who through outstanding efforts, have contributed to the progress of knowledge and demonstrated vision and leadership in exemplary initiatives within the field.
